2013 Legislative Update

The full text of rule changes are included in the [2013 Laws and Rules Book](#). Language that is struck through was removed. Language that is underlined indicates an addition.

For teacher certification rules, all changes were originally recommended by the Professional Standards Commission (PSC) as part of their review of professional standards for teachers as stated in 33-1258, Idaho Code.

Each rule was submitted to the Board of Education for approval as a proposed or temporary rule, made available for public comment, resubmitted for Board approval as a pending rule, and finally approved by the 2013 Legislature.

Teacher Preparation Standards, Certification, Endorsement, and Praxis exam changes will be updated on the SDE/PSC website by August 1, 2013.
